

**Land Use  
Meeting Notes  
February 25, 2005**

**Attendance** Bob Adams, Matt DeLong, Dave Geiger, Dick Granse, Paul Hamilton, Lark Semouelian, Justin Sutton, Ken Wells and Jana Grover

---

**Meeting Overview**  
*(25 words or less)* Discussed the linkages and/or connections with other teams from the Transportation Summit and possible suggestions for resources to complete implementation of our tasks.

---

**Meeting Notes**

1. General discussion of linkages and/or connections to the other groups from the Transportation Summit.
2. Discussion of the two major tasks that this group has – 1) Create a Web-based library and 2) Develop the criteria requirements for an impact statement. How do we make this happen? Where do we get the funding? What sources to include in the library.
3. Justin Sutton and Lark Semouelian from Interstate Traveler presented/discussed information about the Interstate Traveler.
4. Agenda for next meeting was drafted.
5. A post critique of the meeting was conducted. General consensus was that the meeting was productive.

---

**Action Items**

1. Make as many contacts with possible funding sources and bring information back to the next meeting.
2. Ken Wells will send (via email) the scope that he had previously prepared.
3. Start identifying a list of information that we want to be included in the development of impact study.

---

**Proposed Agenda Topics For Next Meeting**

1. Discuss the list of funding sources.
2. Compile list of resources for development of the impact study.
3. Decide “next steps”.
4. Establish additional meetings.
5. Break into sub-groups for discussion.
